Natural Active Ingredients

ان شركة مختبرات أربولور العلمية تقع في شمال فرنسا. مختصون في تطوير وصناعة المنتجات الطبيعية. وتقسم منتجاتنا الى ثلاث مجموعات

• منتجات العناية بالشعر • منتجات تخفيف الوزن • منتجات العناية بالبشرة

ان شركة مختبرات أربولور العلمية تعني بك بشكل أساسي. ان كافة موظفينا سخرنا أنفسنا في كل يوم لتطوير منتجات طبيعية لكي يشعر كل شخص بشكل أفضل. ان منتجاتنا متوفرة في الصيدليات ومراكز العناية الصحية ومن خلال شركائنا في الدول الأخرى.

فلسفتنا (توفير الصحة والثقة بالنفس لكل فرد)

- مكونات فعالة طبيعية
- ابتكارات علمية
- مشبته مخبريا

The Arlor Natural Scientific Laboratories are located in the North of France. We are specialized in the development, production and commercialization of food supplements and natural products, all made in France. Our products can be divided in three different ranges:

• Capillary • Natural and pleasurable dieting • Skin care

For The Arlor Natural Scientific Laboratories, taking care of yourself is fundamental. It is in this spirit our team itself every day in the development and the distribution of natural products, which make everybody feel better.

Our products are available in the majority of pharmacies and health stores. We also sell our products in various countries through our local distributors.

Our Philosophy:

<<Bring wellness and Self-confidence to everyone>>

At the origin of each of our product is the philosophy of taking care of yourself.

- Natural Active Ingredients
- Scientific Innovations
- Clinical trials

ALPHAREGUL AGAINST HAIR LOSS FOR MAN

Food supplement for man slowing down hair loss and stimulating hair growth
Effectiveness proven by 1 scientific study made on 35 volunteers.

FOR WHOM

Mainly advised for men suffering of hair loss.
Could be also used by women in case of androgenic alopecia.

ACTIVE INGREDIENTS PROPERTIES

PUMPKIN SEED OIL, BORAGE SEED OIL, NETTLE ROOT EXTRACT

Anti-inflammatory actions
Regulates the **-5alpha reductase**, enzyme involved in most cases of hair loss

NETTLE ROOT EXTRACT

Brings **force** and **vigour** to the hair mass

VI TAMIN
B6

VITAMIN B6

Helps to regulate the hormonal activity
Contributes to normal cysteine synthesis, which is essential for hair

ZINC

Regulates the **-5alpha reductase**
Contributes to the **quality of hair** by maintaining normal testosterone levels in the blood

INSTRUCTIONS FOR USE

2 capsules per day: 1 in the morning and in the evening during a meal for 6 months. To be repeated at spring and autumn. Optimize the results with ALPHAREGUL Lotion for Man.

Not recommended in case of pregnancy or when nursing. Keep out of reach of young children. Do not exceed the recommended dose. Speak with your doctor or pharmacist. Use within the scope of well-balanced and diversified diet as well as a healthy lifestyle.

CLINICAL STUDY

An effectiveness study* performed on 35 volunteers demonstrated the interest of this patented innovation. A significant reduction in hair loss was observed starting in the 2nd month of use (30% reduction in hair loss) and continued at the 3rd month of use (45% reduction in hair loss). At the end of the studies, 89% of the volunteers were losing less hair.

*Study carried out by Laboratoires Proclaim, Rennes.

INGREDIENTS

Pumpkin seed oil (*cucurbita pepo*), Nettle root extract (*urtica dioica*), Borage seed oil (*borago officinalis*), Soya lecithin, Bee wax (thickening agent), Zinc oxide, Natural vitamin E (D-alpha-tocopherol), Vitamin B6 (pyridoxin hydrochloride).

**1 MONTH
(60 CAPSULES)**

+ BENEFITS

Anti-hair loss with **100% natural active ingredients**

Effectiveness clinically proven on **89% volunteers**

Hair **less greasy, more flexible** and **voluminous**
